"Bostwick is an outside right midfielder that can absolutely just take a game over. He can punish you as a right back or from the midfield. He has amazing pace and can fly down the flank and whip balls in the box. The lanky midfielder is always a worry for opposing teams. Coach Jay Howell says, 'He just seems to glide by opponents and is a bit like Milan Baros of Liverpool. He is just tough to slow down for opponents.'" – American Kicker
